

BORAH ATTACKS PRESENT METHODS OF CANDIDATES

Declares Lowden and Wood are Spending Huge Sums

URGES BILL TO LIMIT FUNDS

WASHINGTON, March 26.—A direct charge that big financial interests were trying to buy both the Republican and Democratic national conventions was made in the senate today by Senator Borah, Republican, Idaho, in a speech advocating congressional action to regulate the pre-convention expenditures of candidates for the presidency.

Concentrating his attack on the backers of Major General Leonard Wood and Governor Frank O. Lowden, for the Republican nomination Senator Borah declared the Wood managers were attempting "to control the Republican convention by the use of money," while the Lowden organization apparently was spending even greater sums to gain support for their candidate. Within ten days, he predicted, two Democratic aspirants, whom he did not name, would be found spending quite as much as any Republican in the field.

The speech brought on a heated debate during which Senator Moses, Republican, New Hampshire, manager of General Wood's Washington headquarters made a general denial that excessive funds had been used in the Wood campaign and that any money had been spent except "legitimately and necessarily."

Calling on all candidates to tell the country voluntarily how much they were spending and where it was coming from, Senator Borah cited newspaper reports that the Wood supporters had pledged a campaign fund of \$1,000,000 that testimonial endorsing General Wood were being bought in Indiana for \$2.50 each and that every vote cast for the Wood or Lowden candidates in the recent South Dakota primaries represented an expenditure of \$10. Such a situation said the senator, forecast a "saturnalia of corruption," unless congress acted.

In the course of the debate the question of a third term for President Wilson was raised by Senator Ashurst, Democrat, Arizona, who said that, if any Democrat, were seeking a third term, the people ought to know of it and oppose it.

Senator Borah replied that he had evidence which convinced him that the president was trying for another nomination. Senator Borah's speech was made in support of a bill he introduced to limit the pre-convention expenditures of any candidate to \$10,000 in each state, to compel any person or corporation making a contribution of more than \$100 to give the donation publicly, then the attorney general and to require any candidate to make public within fifteen days before the convention and again within thirty days after the convention a complete list of contributions. A \$20,000 fine and two years' imprisonment would be imposed for violations.

Another bill of the same general nature drafted three years ago but never acted on was introduced by Senator Pomerene, Democrat, Ohio and Senator Kenyon, Republican, Iowa, suggested a resolution for a congressional investigation of expenditures this year.

Lowden Replies.
Chicago, March 26.—An offer to join with all other candidates for the Republican presidential nomination in introducing to Senator Borah or a committee appointed by him all records of his campaign expenditures was made tonight by Governor Frank O. Lowden in a telegram to the latter's charges concerning the expenses of presidential candidates.

The telegram follows: "The statement made by you in the senate today, as reported by The Associated Press with reference to the expenditures by the various candidates in the presidential campaign to date so far as it applies to me, is in no way warranted by the facts. I will gladly join with all other candidates for the Republican nomination for presidential election in introducing to you, or to a committee to be appointed by you, all expenditures made in the campaign together with names of contributors and amounts contributed, and all books, records and vouchers, for the purpose of the widest possible publicity. I sincerely hope this may be done and at once."

SAYS GERMAN CAN MOBILIZE LARGE ARMY
Paris, March 26.—Germany, in the event of mobilization, can place an army of 3,400,000 men in the field, says Henry Didot, well known French war correspondent, in a dispatch to The Associated Press from Mayenne. He adds that Germany secretly has reinforced her famous war machine, which in 1918 was virtually shattered. Officers, he says, are available to command an army of 4,000,000 men.

OPERATORS DECLARE CLAIMS OF HARD COAL MINERS NOT JUSTIFIED

Men Demand 18.7 Per Cent More Than Granted Bituminous Miners

NEW YORK, March 26.—Anthracite mine operators went on record today as opposed to granting the hard coal diggers' demand for an increase in wages of at least 18.7 percent more than the 27 percent advance just granted the bituminous miners. Statistics and data to show that the earnings of the anthracite and soft coal workers were on an "equitable basis" were before the sub-committee appointed by both sides to negotiate a new wage agreement for the hard coal fields. Although the operators admitted that the hard coal workers' wages were not as high as those of the bituminous miners, they pointed out that the earnings were "about the same" since the anthracite miners, "got in more working days in a year."

After the mine owners' figures and arguments had been read into the record the committee adjourned until tomorrow when further statistics and data on this subject will be considered.

Officials of the mine workers stated tonight that although they will not accept less than 45-7-10 percent increase they are going to press their initial demand for a sixty percent advance. They declare that they must get the maximum of the ground in order to make their wages keep pace with the high cost of living.

The operators held another executive session here today to discuss matters pertaining to the negotiations but issued no statement. Word was received here from Washington stating that John L. Lewis, international president of the mine workers would probably arrive in New York on Sunday. He will devote his attention to the bituminous and Anthracite wage conference which will be in progress here during the next few weeks.

ROTARY CLUB HELD BUSINESS SESSION

The Rotary club held a business session at the Pacific hotel Friday night. A dinner was served at 6 o'clock with nearly 50 members in attendance. A number of matters relating to club work were discussed and at the close of the session President Capps called a meeting of the directors. The plan was approved of erecting a club house on the site adjoining Mercedosa bay recently presented for the purpose by members of the club. This club house is to be used for Boy Scout, Camp Fire Girls and other organizations of boys and girls who care to have a summer outing there.

The club adopted a resolution endorsing the financial campaign of Illinois college voicing appreciation of what the college means to the community and indicating that members of the organization will assist in the campaign work to the best of their ability.

FURTHER FACTS ABOUT GERMAN REVOLT
LONDON, March 26.—A dispatch to the London Times from Rotterdam says, that until they were upset by the radical revolt in Germany, feudal conditions prevailed in some districts of East Prussia, according to a German cable. Several big landowners called together units of 100 and 200 men who were treated as vassals. These men were supposed to defend the estates, according to the Times' informant, but in reality were destined for General Ludendorff's army. When the news of the revolt was received the men burned many of the estates and Count Kahn, one of the large land owners, was killed in a riot.

OPEN LOWDEN CAMPAIGN IN ILLINOIS MONDAY

Springfield, Ill., March 26.—Governor Frank O. Lowden's campaign for the vote at the presidential preference primary to be held in Illinois Tuesday, April 13, will be opened here Monday, March 29 with a meeting at a theater. Governor Lowden will address the meeting. Other speakers will be C. J. Doyle, former secretary of state and George T. Buckingham of Chicago. C. K. Mortimer, state's attorney of Sangamon county, will preside at the meeting.

PLAN BUILDING UP SHIP ROUTES

Washington, March 26.—Foreign interests are negotiating with the Hamburg-American line with a view to obtaining facilities in building up trade routes which previously were offered to this government. Chairman Benson of the shipping said today.

TURK CABINET QUILTS

Constantinople, March 25.—The cabinet of Sult Pasha resigned today and the Sultan authorized Damad Ferid Pasha, former grand vizier and foreign minister to organize a new ministry. Damad represents the liberal party and apparently is acceptable to the entente representatives.

LOYD GEORGE AND ASQUITH FIGHT OVER LEADERSHIP

Conduct Informal Debate Over Right to Lead Country

PREMIER REPLIES TO ATTACK

LONDON, March 26.—Premier Lloyd-George and Herbert H. Asquith, former premier and member of the house of commons in Paisley, are conducting an informal debate over the right to claim the leadership of the liberal party. Mr. Asquith's supporters arranged a luncheon in his honor at the national liberal club last Wednesday and the premier's followers organized a luncheon in honor of Mr. Lloyd-George today in his speech today. Premier Lloyd-George defended his attack of last week on the labor party for which he has been condemned by both the labor party and the party of Mr. Asquith.

"The program of the labor party is to put an end to the capitalist system and create a co-operative commonwealth," he declared. "I have read carefully everything said by Mr. Clynes (John Robert Clynes) laborite and Mr. Henderson (Arthur Henderson) laborite, and all the apologies of the labor party. Not one of them denies that the doctrine of the labor party is a doctrine of communism."

"It is only put into the labor program in addition to council a section of the party. That is a very dangerous thing in these days. You must put doctrines of that kind in the forefront of the program of a powerful party and then say they mean nothing."

Suppose the labor party won a general election and formed a government. You may say Mr. Clynes and Mr. Henderson are moderate men who would not do these things, but they would have to do them or break faith with the people who put them in power. We cannot take any chances in these revolutionary days. The labor party means what the labor program means, then make its choice with its eyes open."

Replying to Mr. Asquith's reference to him as a demagogue, Mr. Lloyd George said the term had been applied to some of the greatest men in history.

"It is an epithet which has always been hurled at the dull and pompous against any man who has a greater power of appealing to the masses than they have," he declared.

The next event at the Liberal Club is a dinner in honor of Mr. Asquith, commemorating his election to the house of commons. This function was arranged before the split between Mr. Asquith and Premier Lloyd George became acute and some of the premier's followers are now removing their names from the list of subscribers to the dinner.

STERLING EXCHANGE IN SENSATIONAL ADVANCE

NEW YORK, March 26.—A sensational advance was made by sterling exchange market today the rise following advice of the engagement of gold valued at 4,000,000 pounds sterling in London for shipment to this country. Demand bills rose to 3.95 and cables went a fraction higher. Today's maximum quotation represented a gain of 8 1/2 cents from yesterday's figure, 16 1/2 cts for the week and an extreme of 77 cents from the low of last month.

CONTRARY TO GENERAL EXPECTATION EXCHANGE ON FRANCE, ITALY AND OTHER CONTINENTAL EUROPEAN POINTS, DERIVED LITTLE OR NO BENEFIT FROM THE BETTER TONE OF BRITISH BILLS. FRANCES WERE QUOTED AT 14.22 FOR THE AMERICAN DOLLAR AND LIRES AT 18.82. THESE QUOTATIONS COMPARE WITH THE RECENT LOW OF 14.82 FOR FRANCES AND 20.60 FOR LIRES, THE LATTER REPRESENTING THE LOWEST POINT OF DISCOUNT EVER RECORDED HERE BY ITALIAN EXCHANGE.

Bankers attributed the movement to arrangements already made to anticipate in part at least payment of the \$500,000,000 Anglo-French loan maturing next October.

MAY COST G. O. P. THE PRESIDENCY

Washington, March 26.—An adverse vote by the Delaware legislature on the suffrage amendment might cost the Republican party the presidency, the senate and the house at the November elections, Representative Fess of Ohio, chairman of the National Republican congressional committee said today in a telegram to Senator Ball at Dover.

APEN CASE AGAINST PACKERS

Chicago, March 26.—The National Wholesale Grocers association opened its case against the packers and the railroads today before the interstate commerce commission by urging the use of railroad cars by the packers be restricted to the handling of fresh meats and packing house products. A revision of the list of such articles was also urged.

KIDNAPERS DISAPPEAR, YOUTH IS BACK HOME

LEXINGTON, Ky., March 26.—With Paul Little, 12 year old son of E. R. Little, Lexington capitalist, safe at home, the authorities were searching tonight for two men who kidnaped the lad Wednesday afternoon and held him for 38 hours in a room at a local hotel.

The boy was returned to his parents early today after he notified members of his family by telephone of his whereabouts.

The youth after being kidnaped was taken to the hotel and locked in the bathroom. During his imprisonment was given only a little fruit and a piece of cake to eat. Every few hours his captors terrorized him by threats against his life. A revolver often was thrust into his face by the two men, he said. This morning the boy's captors left the hotel, leaving the lad in the bathroom unlocked. The boy entered the room and cautiously telephoned to the Little home. His sister answered the telephone and screamed with relief as he told her of his whereabouts.

ARMED POSSES SCOUR COUNTRY FOR SLAYERS OF 11-YEAR OLD GIRL

Several Clues in Connection With Killing Being Run Down

STUBENVILLE, O., March 26.—Several new clues in connection with the killing of 11 year old Frances South, near Adena, Ohio, a mining village 25 miles of here, were found by authorities late today and by nightfall a number of armed posses were scouring the surrounding country in an effort to apprehend two suspects. Several residents of Herrick, miles south of Adena, said today they saw a soldier in uniform coming from the direction of Adena at 5 p. m. yesterday shortly before the body of the little girl was found. Officials attached importance to this clue, in view of the fact that the child's hands were tied behind her back with a military hat cord. The nation was arranged to search for the soldier, while another scoured the country north of Adena in its hunt for a foreigner, who, according to several persons was seen coming from the woods where the body was found, late today.

Suspects are being held in connection with the killing. Mrs. W. F. South, mother of the victim was reported tonight to be in a critical condition. She had been ill for several days and when informed of her daughter's death she collapsed. Attending physicians fear she will not recover.

PREMIER BAUER'S CABINET QUILTS

BERLIN, March 26.—(By The Associated Press.)—The cabinet of Premier Bauer has resigned. Hermann Mueller, the foreign minister, has been authorized by President Ebert to organize a new cabinet.

Vorwaerts announced that in deference to the unanimous wish of the entire Social Democrat party, Herr Mueller has consented to form a new ministry.

The resignation of the Bauer cabinet, it is said, was due to pressure from the labor federation which has been extremely contented with the government's attitude since its return from Stuttgart. It is stated that labor will have a strong voice in the new Mueller cabinet.

SUSTAIN HEAVY LOSSES IN RUSSIA

WESEL, Rhinish Prussia, Mar. 26.—(By The Associated Press.)—The workmen's headquarters to which admitted that heavy losses had been sustained in the fighting.

Major General Kabitsch of the reichswehr in a communique to 14.22 for the American dollar and lires at 18.82. These quotations compare with the recent low of 14.82 for frances and 20.60 for lires, the latter representing the lowest point of discount ever recorded here by Italian exchange.

Bankers attributed the movement to arrangements already made to anticipate in part at least payment of the \$500,000,000 Anglo-French loan maturing next October.

DRYS PREDICT VICTORY

Columbus, Ohio, March 26.—Dry leaders late today predicted victory in the recount of votes cast in the state prohibition referendum.

The father of the boy went immediately to the hotel. The door of the room was broken down and Paul rushed into his father's arms.

Describing his abduction the youth said he had been lured to the hotel by one of the kidnapers, who offered him a dollar to deliver a box of candy.

The room in which the boy was kept a prisoner had been rented previously a man who registered as "J. C. Cox, Cincinnati." Employees at the hotel said the door of the room had been locked for two days.

SENATOR JOHNSON OPENS HIS CAMPAIGN IN NEW YORK STATE

Declares League of Nations Must Be Dominant Issue in Campaign

BUFFALO, N. Y., March 26.—Senator Hiram W. Johnson of California, candidate for the Republican nomination for president in the New York state campaign with speeches here today and tonight in which he declared the league of nations must be the dominant issue in the coming presidential contest. Before the president and those of us who have been making this fight in Washington there is just this difference," said Mr. Johnson tonight. "I would not send a single American boy across the sea to his death in a boundary dispute between Roumania and Serbia or any other countries, situated in Europe. If I had the power I would send into every man's mind Article IX of the league of nations. I would make you understand that under that article you guarantee to preserve the territorial integrity of every nation on the face of the earth."

America is the only nation which got nothing out of the war, said Senator Johnson. He declared that President Wilson was "bamboozled" by Premiers Lloyd George and Clemenceau in Paris.

In an address this afternoon, Senator Johnson asserted that he, not General Leonard Wood, had won the presidential preference primary in Minnesota.

"I went into Minnesota where the state machine is for Wood," he said. "They repeated the presidential preference law and then the machine called a trick primary to be held in the middle winter between 7:30 and 8:30 o'clock in the evening and with a lot of the voting places not announced."

"I have the figures with me of the primary vote there and they show I won. But The Associated Press has not sent out these figures and has allowed the impression to prevail that Wood carried Minnesota."

CITY'S POPULATION KNOWN TONIGHT

WASHINGTON, March 26.—Population statistics for 1920 announced today by the census bureau include Elgin, Ill., 27,431, an increase of 1,455, or 5.6 percent over 1910.

Bangor, Me., 25,948, increase 1,145, or 4.7 percent. Saratoga Springs, N. Y., 13,181, increase 488, or 3.8 percent. Columbus, Nebraska, 5,410; increase 396, or 7.9 percent. Anderson, S. C., 10,535; increase \$81, or 2.9 percent. Monroe, La., 12,675; increase 2,466, or 24.2 percent.

Population of Springfield, Aurora, Jacksonville and West Chicago, Illinois, and Fargo, N. D. will be announced tomorrow night at 9 o'clock.

STUBBORNNESS OF SEC. DANIELS IS TOLD COMMITTEE

Advice of Officers to Increase Personnel Ignored

PLUNKETT IS ON STAND

WASHINGTON, March 26.—Two naval officers—Rear-Admiral C. P. Plunkett and Captain J. K. Taussig—testified today before the senate investigating committee that for two years prior to the entrance of the United States into the war Secretary Daniels steadfastly refused to approve an increase in personnel and the navy department generally attempted to suppress reports of a manpower shortage. During the war both Admiral Plunkett and Captain Taussig served with the Atlantic fleet destroyer force, the former as commander.

Admiral Plunkett declared he "argued with Secretary Daniels on the personnel question for two years without making an impression."

Captain Taussig said the navy department's attitude regarding personnel was "one of unpreparedness rather than preparedness."

The recommendation of Admiral Dewey as head of the general board for a large increase in enlisted strength was turned down, Captain Taussig testified. Asked regarding the condition of the fleet in April, 1917, Admiral Plunkett said the ships in commission were in as "good condition as could be expected," but shortage of man and constant changes in gun crews had greatly interfered with gunnery efficiency and had prevented sending to sea many ships which should have been in full commission. The United States and not Germany would be paying indemnities now if this country had faced Germany on the sea in 1914. Admiral Plunkett declared. He added incidentally that the Germans by their superior gunnery "turned the British on their heads at the battle of Jutland."

WOODSON MEN ATTENDED BANQUET

Members of Christian Church Talked About Work of Men in the Church—Fine Program Given.

An enthusiastic men's meeting was held at the Woodson Christian church Friday night. The event was rather a celebration on account of the completion of a number of improvements made in the church building, and in fact this was the first event since these improvements have been made. The women of the church prepared an excellent banquet and all the men of the membership were invited to be present. That the invitation was generally accepted was proved by the fact that 64 men sat down to the tables.

After the final course had been served William Fitzsimmons, who is superintendent of the second school, presided and a number of brief addresses were made. Rev. O. C. Bolman, secretary of the fifth district of the Illinois Christian Missionary society; J. S. Findley, secretary Jacksonville Y. M. C. A., and Rev. Mr. Powell, pastor of the Woodson Presbyterian church, all spoke briefly.

Mr. Fitzsimmons himself talked in an appropriate way of the occasion and the possibilities of the work. All of the speakers made special reference as to the need of men in church activities, indicating their belief that the increasing interest shown by men in the churches of all denominations is certain to have the effect of making the church of tomorrow hold a much larger place and influence than has been true in the past.

Interest in the program was increased by the number of musical selections given by the quartet, including Dr. C. B. Magill, Messrs Maurice Peckham, H. C. Hopkins and James Guyette.

GRANT PARK BANK CLOSED AGAIN

Grant Park, Ill., March 26.—The doors of the Farmers' State and Savings bank of Grant Park were closed today for the second time within a year. State bank examiners ordered the institution closed yesterday and later bank officials announced that it would go into voluntary liquidation. All depositors, the officials said, would be paid in full.

Any shortage, it was announced will be met by directors and stockholders who signed notes for approximately \$150,000 when the bank was re-organized after its closure April 15, 1919.

NOTES EXCHANGED BETWEEN U. S.-CHILE ARE MADE PUBLIC

Given Out By State Department Without Comment

WASHINGTON, March 26.—An official summary of the American note to Chile regarding the recent anti-Peruvian disturbances in Bolivia and the Chilean government's reply was made public today by the state department. The American note, which asked Chile to do everything in its power to avoid hostilities on the west coast of South America, evoked some adverse comment in Chilean newspapers, the Mercurio declaring that it gave evidence of suspicion that Chile had fostered the differences between Bolivia and Peru.

The American chamber of commerce at Valparaiso also criticized the action of the American government and in a message to Joseph Shea, the American ambassador said the note as published in the Chilean newspapers was grossly erroneous, uncalled for, and absolutely contrary to the expressed principles of the American government.

The state department summarized the American note and the Chilean reply in a statement which said:

"On March 17, the American ambassador in Chile informed the Chilean minister for foreign affairs that the government of the United States had informed the Bolivian government that it viewed with the gravest apprehension the attack by a mob on the Peruvian legation and consulate, as on the houses and stores of Peruvians in LaPaz."

"The ambassador further informed the Chilean minister for foreign affairs that this department would deplore mobilization in Chile, and that a similar representation had been made to the governments of Peru and Bolivia."

"In conclusion, the ambassador was directed to state that the government of the United States viewed the situation with the gravest apprehension, and counted upon the government of Chile to do everything in its power to avoid the breaking out of hostilities on the west coast of South America and to preserve peace until a means of solution for the question interesting Chile, Peru and Bolivia could be found other than force, which could not be counteracted by the civilized world."

"On March 22, the American ambassador in Chile cabled the department he had received a note from the Chilean foreign office expressing thanks for the American representations made to the Bolivian government and deploring the disturbances in LaPaz. The note declared that Chile's conduct in the past and its sincere desire for peace, would counsel it to look with misgivings on any attempt to disturb international order. Further stating that the Chilean government when duly informed of the events occurring in LaPaz, could not attribute to them greater consequences than to a simple aggression of popular elements, the note concluded with the statement the government and people of Chile are absolutely tranquil and have not thought for a moment of the extreme measure of mobilization."

"On Thursday, April 1, a public hearing was arranged for the opponents of proposals providing for municipal control of downstate utilities. A number of other speakers have been invited.

CARPENTIER HAS NO FEAR OF H. C. OF L.

NEW YORK, March 26.—Callers on M. and Mme. Georges Carpentier became convinced today that the French champion is a prize fighter de luxe. Their flower filled sumptuously furnished six rooms constitute the best suite in one of the city's newest and best hotels. From France they brought a valet, a maid, a secretary, a manager and a trainer, and thirty-five trunks.

In addition to natural Apollonian gifts, Carpentier is enabled to be a Beau Brummel by the following wardrobe, according to the New York Evening World: One hundred silk shirts of various hues, stripes and dots, with collars to match.

Twenty overcoats, three fur coats, and one fur robe. Seventy-five suits. Seventy-five pair of shoes.

Two hundred neck ties. The wardrobe has been found to be insufficient for American purposes and Carpentier is rapidly increasing it by visits to Fifth avenue shops.

ORDERED TO RESUME CAR SERVICE

Dubuque, Ia., March 26.—Mayor James Saul was instructed by the city council at a special session last night to notify the Dubuque Electric Co. to operate their street cars within 24 hours or face court action. The car strike has been on for 26 days and business has been partially paralyzed.

ALLEN TELLS CON CON BODY ABOUT INDUSTRIAL LAW

Declares it Furnishes Solution to Strike Problem

SAYS OPERATION IS SIMPLE

SRPINGSFIELD, Ill., March 26.—The Kansas industrial court law furnishes a solution to the strike problem Governor Henry J. Allen of Kansas told the Illinois constitutional convention today.

The law recognizes the principle of collective bargaining and it does not abridge the right to strike Governor Allen declared.

"The operation of the law is simple," the Kansas executive said.

"When negotiations fail the court steps in and offers itself for the settlement of the differences."

The court "takes away the need of having radicals on the job to foment labor troubles," Governor Allen continued.

Speaking of the threats of Alexander Howatt, president of the United Mine Workers of Kansas to call a strike, Governor Allen declared that if Mr. Howatt does call a strike, "there is a good coal mine in the Kansas penitentiary where Mr. Howatt can really work as a miner."

Governor Allen also spoke in subject of farm tenancy and told of the farm tenants system of Kansas and California where plans have been devised to advance money to tenants who wish to acquire tracts.

"Give out the word that Illinois is willing to help the farm tenant," he said, "and you will be swamped with men who want to go on the farm. Soldiers in which numbers are anxious to till the soil. What we need is a system which gives men a chance to buy land and pay the debt at a low rate of interest and on long period loans. I think Illinois can do what any other state or nation is doing in this respect. Governor Allen spoke before the convention this afternoon. Following his address the convention adjourned until 11 a. m., next Tuesday.

At a conference held this afternoon by President Charles E. Woodward with Chairman F. R. Dove of the committee on initiative, referendum and recall it was decided to devote next Wednesday, March 31, to an opening at which opponents of the initiative and referendum can present their objections. An attempt is being made to have David Jayne Hill, former ambassador to Germany to address the convention on this subject.

U. C. T. PLANNING FOR BIG SHOW

Local council U. C. T. is planning for a home talent entertainment in fact, for two entertainments which will be staged April 9 and 10. "The Fizzles of 1920" will be given at the Grand Opera house by the members of the council and under the direction of L. E. Johnston, one of the members.

A number of Jacksonville young women will assist with the presentation. Mr. Johnston has been successful in staging several productions in other states where he has lived. He has looked over available talent and is anxious to promise the U. C. T. and their friends a "real show." The program, it is said, will include 7 or 8 acts of good vaudeville with a plentiful sprinkling of dancing and singing.

JEWELRY STOLEN

Davenport, Iowa, March 26.—Jewelry, valued at \$10,000, was stolen from the home of Miss Alice French, 321 East Tenth street Wednesday night. No clue to the robbers have been obtained.

The robbery was discovered Thursday morning by Miss French when she missed a box of jewelry which she had placed in her dressing table drawer late Wednesday afternoon.

THE PROBLEMS OF THE CITIES.

St. Louis is only one of the many cities where the financial prospects for the coming year are quite disturbing to the officials in charge. The expenses for the year have been figured at \$18,000,000 by the comptroller and this is at least \$3,000,000 greater than the funds in sight.

Now the problem which St. Louis faces is in some manner making the income and expenses meet and it is a problem which is bothering cities large and small. In fact, it is just the same old matter of the high cost of living affecting municipalities.

THAT TOUCH OF NATURE.

There is no doubt about the interest of people in children. An advertisement appeared recently in the Journal indicating that a home is desired for a 6 months old baby. It was really surprising to note the number of inquiries that have been received to that

advertisement. Children are the making of many a home and the absence of children has been the cause of many a home disaster. Then this seeking of foster parents for a little child has something about it of "that touch of nature that makes the whole world kin."

THE HIGH SCHOOL STILL LIVES.

Perhaps there is some misunderstanding about the action of the board of education in naming the new high school building in honor of Newton Bateman, long identified with the schools of Jacksonville and later prominent thruout the state as an educator. The Jacksonville high school is not wiped out of existence because Newton Bateman's name has been attached to the building. The junior high school is housed in the David Prince building, the first ward pupils have their recitation rooms in the Jefferson building and it is true in the other wards, the buildings are all named.

So we say that possibly some of the objections to the christening of the high school building are the result of a misunderstanding of the board's intentions. The Jacksonville high school still exists and according to the board's action will be housed in the Newton Bateman building.

THE "BUILD NOW" SPIRIT.

It is understood that at the meeting of the city council next Monday night that the contract will be awarded for the building of the filtration and power plants in accordance with plans recently revised. It is fortunate indeed that the city authorities, in conjunction with the citizens' committee, have found a way whereby

the work of building these plants can proceed without further delay.

In this action the council will have the support of public sentiment for the people, generally speaking, are very much in favor of the building of these plants. The sentiment too is very strong in favor of proceeding now rather than delaying for another year or two in the hope that construction costs will be lower.

The work of revising the plans and curtailing them in a way to make the plant erection possible without curtailing efficiency has required the best thought and most careful judgment of council men. Some of the officers have been so busy with figures that they have taken practically no thought of private business for the past two days. This willingness to make public interest paramount to private affairs is the very thing that has put Jacksonville on its up grade—that is making for a better and larger city.

A BUSINESS MAN—BUT THAT'S NOT ALL.

Certain political writers who lean to the muck-raking style are engaged in an alleged campaign for "a business man for president." These writers and reformers are content at present with

attacking both the Republican and Democratic parties and indicate that nothing really worth while in the matter of candidates can be expected from either one.

Just what remedy they propose for the alleged evils is not yet apparent. About the only thing of importance in these writings is the emphasis laid on the need of business management in governmental affairs. But it must be admitted that the man who serves as president of the U. S. must have more than business experience. There are many perfectly good business men who are warped in their views and look at problems solely on a dollar and cents basis. The president of the U. S. needs to be a good business man but he also should be schooled along many other lines—a man with some experience in statescraft and with ideas about great international problems in which this country has a definite interest.

If the writers referred to will carefully scan the list of Republican aspirants for presidential nomination they can readily find men who not only have a knowledge of business but experience along other lines as well tending to fit them for the great responsibilities which attach to the presidential office.

Rippling Rhymes
By Walt Mason

Helping Hands.

"If I had a lot of money," sighs the man of dreaming soul, "I would make the world more sunny, help the people from the hole, I'd take bitters to the thirsty, heal the sick ones' pains and aches, and pack victuals wiener-wursty to the hungry rubes and jakos. But I'm poor, and this world loses; I can drip no golden showers; ah, that pent-up Syracuse is contracting of my powers!" But a man can make things better, make his fellows smile again, though the belt beneath his sweater holds no store of iron men. Have known some benefactors who were lacking fifteen cents, and they were the ablest actors in the ranks of helping hands. You can give a friend assistance, help a neighbor every day, tough your roll be in the distance, forty thousand miles away. You can cheer some struggling mortal, tote his burden for a while, hand the heartsick one a chortle, and the grouchy one a smile. If you had a lot of plunder, bundles that would choke a cow, would you do much more, I wonder, than we see you doing now?

"HURRAH FOR THE J. H. S."

I certainly glory in the "spunk" of the high school students, when they rebel against the name given the new high school. Professor Bateman no doubt was a competent school teacher and gave service to the patrons. He was at that time paid for his services, and it was his duty to give the best services possible for the money he received "and no man should expect credit for doing his duty."

It is his moral obligation to himself and to his fellowman, to do his duty at all times. Professor Bateman no doubt found greater and broader fields in which to launch his boat, otherwise he would have been with us yet. At any rate, Jacksonville has since built a high school, and one of which everybody was proud and a sad day it was when it burned.

For it was headquarters for all the latest and most up-to-date news and scientific information of the day. Jacksonville was proud of its high school, and when a pupil graduated from Jacksonville high school they certainly were proud of the fact and point to their diploma for all time to come and swear by it for the simple reason that it is a very great honor and one they need not be ashamed.

What has Professor Bateman done toward the providing of funds for the erection of our new high school? Who will pay the taxes to furnish the money to pay for the erection of our new high school? Is it not the property holders of the city of Jacksonville? Then hurrah for the J. H. S. and in sympathy with the students of the J. H. S. I want to register my disapproval of the new name and ask for a continuance of the good old name Jacksonville High school.

Respectfully, C. N. Priest.

STATE D. A. R. WILL MEET HERE NEXT YEAR

Accepted Invitation of James Caldwell Chapter to Hold 1921 Session Here—Delegates Report Great Meeting.

The 1921 sessions of the state D. A. R. will be held in Jacksonville in 1921. The sessions are held the last week in March and will bring prominent women from all over the state to Jacksonville. Some weeks ago at a meeting of James Caldwell Chapter D. A. R. the delegates were instructed to extend an invitation to the state organization to meet here next year. The invitation was extended and promptly accepted.

The sessions were well attended and of great interest. Mrs. Guernsey, the president general of the National D. A. R. was the guest of the state body. There was a reception Wednesday evening at the Woman's building at the University of Illinois. Those in attendance from James Caldwell Chapter were: Miss Fairbank Regent, Mrs. J. Marshall Miller delegate and Miss Effie Epler who was reelected librarian of the state body. Other state officers are:

State Regent—Mrs. H. E. Chubbuck.
Vice State Regent—Mrs. Frank O. Lowden.
Recording Secretary—Nevin Latchor.
Treasurer—Mrs. Eddinger.

THE BATES STEEL MULE

Tractor will be shown in moving pictures at our garage, Saturday afternoon and evening, March 27, plowing, discing, harrowing, threshing. Come see the world's greatest tractor in action. Bring your friends. JOY BROS., West Court Street.

SILO BLOWN OVER

Friday morning when Paul Jones went out to the barn at his mothers farm one-half mile west of the city he found that a silo fourteen by thirty feet had blown over between the barn and the hog shed. The silo had been anchored to a tractor which had saved the silo from falling on the barn. The silo came to pieces but was not broken at all. It is ready to be set up again.

THAT GIFT TO YOUR CHURCH!

Hundreds of Presbyterians—and others too—when they made out their income tax return were surprised. The amount they had given to church and benevolences during the past year was smaller than they had expected. Some of them had determined that they ought to approach as nearly as possible to giving one-tenth to the Lord's work, and are making extra gifts now.

The books of the mission boards of the Presbyterian Church close March 31. All money pledged through your Presbyterian Church to the general work of the denomination ought to be paid at once.

Your church treasurer should be able to send before the last week of March all the cash promised from your church.

Take an extra offering to church Sunday—and invite your neighbor to go along if he doesn't worship anywhere.

Be ready to make a generous pledge for next year when the time comes.

Give proportionately!

Give consecrated dollars!

Any Presbyterian pastor will furnish details.

URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY

Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.

Says: Inflamed Nostrils Invite Influenza

People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.

He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs—not only the germs of influenza, but many other kinds as well.

If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arceine mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished.

It's really no joke for people who don't know about this simple recipe to be constantly sniffing and snuffling, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.

Ask for three-quarters of ounce of Mentholized Arceine, that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.

The tender nostrils will soothe their soreness, heal up, and be clean and healthy.

Important Reminder: Just as soon as anyone in the family gets a cold in the head, check it at once with this same medicine.

"TRACTORS MOVING"

The wide-awake and up-to-date farmers are buying Tractors NOW. They realize that the rainy weather is causing them to lose quite a good deal of time, and that in order to keep up with their work they must have the necessary equipment to promote their interests and the FORDSON TRACTOR and Tractor Equipment is the most practical Farm Equipment to be had. They don't pack the ground like the big heavy kind, and then you can turn them around on less space than any other kind of Tractor. They will do all that any other Tractor will do, AND MORE. Then the cost is nothing to compare with the cost of others. Our price is \$850.00 F. O. B. Factory, and we have some on the floor, and can make immediate delivery. After this supply is gone delivery will be much slower. These are HONEST-TO-GOODNESS FACTS, and don't kid yourself into believing that you have time enough yet. For just about the time that you get in a BIG HURRY we will have to tell you the SAD NEWS that it will be about 30 days before we can make delivery. "COME, GET BUSY." Get your outfit before the rush; it is sure to come. We have some now. But we are selling them fast, or at least we call it fast. We sold four the last four days. Think of the work ahead of you, and come in early.

We are still in the Oil and Gasoline business. Gasoline today 27.3 per gallon. Oils and greases that always please. Respectfully,

C. N. PRIEST,

The Ford Man.

Matrimonial

Feustermaker-Cox.

The marriage of Ole Feustermaker and Miss Fay Cox was solemnized at 7:45 o'clock Thursday evening at the Centenary church parsonage on East State street. Rev. D. V. Gowdy, pastor, officiating. The ceremony was witnessed by Miss Ruth Feustermaker and Eric Kuppfer.

The bride is the daughter of Mr. and Mrs. G. T. Cox of Mound avenue. She is a young woman of great personal charm and during her residence in this community has made numerous friends. The groom is a son of Mrs. Emma Feustermaker of 406 South East street and is held in high regard by all who know him. He is employed by the Jacksonville Railway & Light Co. as assistant foreman in the gas department.

Mr. and Mrs. Feustermaker will for the present make their home with the groom's mother and begin their married life under most happy circumstances.

BUYS FORDSON TRACTOR

Elbaugh Brothers of Riggs-ton, Illinois, after trying several other makes of tractors, have bought the Fordson line of C. N. Priest, the Ford Man.

Deaths

Collins.

George Collins died at his home, 422 South West street at 6:30 o'clock Friday morning. He had been in failing health for several months.

Deceased was born in Missouri in 1856 but had been a resident of this city for many years. He is survived by one brother Robert Collins of Louisiana, Mo., and one half brother, Charles Chappel of Quincy.

Funeral services will be held from Mt. Emory Baptist church Sunday afternoon in charge of the Rev. Mr. Crockett. Burial will be in Jacksonville cemetery.

TUMORS S. S. LEAGUE

Three games were forfeited last night at the Y. M. C. A. in the Junior Sunday School league. Northminster forfeited to the Christian boys, State street forfeited to Centenary and Grace to the Baptists.

Centenary played the Christians and easily took the game with a score of 23 to 5.

The Baptist team played a pickup team and defeated them by the score of 20 to 19.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work people afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every eight hours for a week and note the pleasing effect. 10c and 25c a box.

Tells How to Stop a Bad Cough

Surprising results from this famous old home-made syrup, easily prepared and costs little.

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with croup and you want quick help, try this reliable old home-made cough remedy. Any drug store supply you with 2½ ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It soothes and raises the phlegm, stops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, ease and certainty that it is really astonishing.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "2½ ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pine Co., St. Wayne, Ind.

Watch the Little Pimples; They are Nature's Warning

Unightly and Disfiguring Signals of Bad Blood

Don't close your eyes to the warning which nature gives, when unsightly pimples appear on your face and other parts of the body.

Not only are these pimples and blotches disfiguring, but they lead to serious skin diseases that spread and cause the most discomforting irritation and pain. Sometimes they foretell eczema, boils, blisters, scaly eruptions and other annoyances that burn like flames of fire, and make you feel that your skin is ablaze.

When these symptoms appear on any part of the body, take prompt steps to rid the blood of these disorders. And the one

remedy which has no equal purifier is S. S. S., the purest blood medicine, which has been on the market for more than fifty years. It is sold by druggists everywhere.

If you are afflicted with form of skin disease, do not expect to be cured by lotions, ointments, salves and other local remedies, as they can not reach the source of the trouble, which is in the blood. Beginning S. S. S. today, and a complete history of your case, our chief medical advisor will give you special instructions on any part of the body, take prompt steps to rid the blood of these disorders. And the one

ETHEL RETURNS TO FIND OUT THAT MAY HAS MADE SOME WONDERFUL CHANGES

"Hello Central, give me 1477."
"O May, is that you? I am so glad to hear your voice. When did you get back?" "Why Ethel, I just got home last night, had a wonderful trip. What have you been doing all the time I was away?"

"Well, May, you see father bought a new home and we are moving tomorrow. Sure am happy. Just think we traded all our old furniture, rugs and even our old stove, for NEW goods." "Why, Ethel, TRADED, what do you mean?" "Why, it's easy. Just call on the PEOPLE'S FURNITURE CO., 203 South Sandy street; their man comes right out and gives you an estimate on all your goods or whatever you care to part with."

"Why, Ethel, I know we have a lot of things up in the attic we don't need, so I'll call them up today. I am glad you mentioned it." "May, don't forget they give the S. & H. Green Stamps, PEOPLE'S FURNITURE CO., 203 South Sandy Street."

ILLNESS OF MRS. EAMES
Friends of Rev. Charles M. Eames, missionary in Taining, China, will regret to learn that the gentleman's wife is very ill and has been for some time. THE CLINIC FOR CRIPPLED CHILDREN

The clinic for crippled children which has been arranged for by the Morgan county Red Cross will be held next Wednesday at the headquarters in the public library building. The original announcement was for Tuesday but it has been found necessary to change the date to Wednesday. At that time Dr. East of the state department of health will be present.

He will bring with him his brace maker and will set braces on a number of children for whom the measurements were taken during a recent visit.

The announcement of the coming of Dr. East brings to the notice of the Red Cross a number of crippled children in the county and the parents have indicated that they will be glad indeed to avail themselves of the opportunity which this clinic affords.

Persons who are especially interested in the work are invited to attend and the Red Cross extends a special invitation to physicians.

HIGH SCHOOL PLAY
GIVEN AT FRANKLINOld Oaken Bucket Given Before
Crowded House—Was Well
Received.

Franklin, March 26.—The senior class of the high school gave a three act play, The Old Oaken Bucket before a large audience in Marquette hall tonight. Every seat was filled and standing room was at a premium when the curtain went up on the first act.

The participants were coached by the principal, B. F. Asplund, and one of the teachers, Miss Grace Hill. They acquitted themselves with great credit and their efforts were greeted with frequent applause.

Miss Dorothea Sargent furnished music during the action of the play and between acts. The following musical numbers also were given between the acts: Vocal Lonesome, That's All—Miss Blanche Harney. For an encore she gave, What Is the Harm in a Little Bit of a Walk? Mock Orchestra—The participants were equipped with all

sorts of instruments and went thru the motions of playing while a Victrola behind the scenes furnished the music.

Trio, vocal. Our Yesterday's, and My Sunshine Jane—Miss Blanche Harney, Miss Allene Austin, Wilbur Seymour.

Trio, Instrumental, A Perfect Day, Our Yesterdays and Beautiful Ohio Waltz—John Henderson, violin; John Wright, bass, and Miss Ruth Tulpin, piano.

STATE SCHOOL FUND
WILL BE DISTRIBUTED

Supt. Vasconcellos Figures Out Amount Due to Each Township—Fund Much Larger Than in 1919.

H. H. Vasconcellos, superintendent of county schools, has prepared a statement of the distributive school fund. Checks in favor of the different township treasurers will be forwarded one week hence.

The total distributive fund for the county this year was \$22,649.31. This sum is almost \$10,000 greater than it was in 1919, due to the fact that the last legislature increased the state school tax by nearly 50 per cent because of the realization that school expenditures have increased in a very large way.

The total number of school children in the county is 13,055. As a matter of information the amounts distributed in 1919 are shown below, along with the funds now about to be distributed.

WOMAN'S CLUB
SPRING CONCERT

Regular Membership Season Tickets Are Good For Admission—Other Admission Tickets Are Fifty Cents to Members and Friends.

Season membership tickets are good for admission to the annual spring concert of the Woman's club to be held in Northminster church Thursday evening, April 15. However, they can be used only by members.

This statement was made by Mrs. Barr Brown, chairman of the Music committee Thursday. Mrs. Brown said that many of the members did not seem to understand this. The two tickets sent to each member are to be sold to their friends, used by other members of the family or as they see fit.

The price for these tickets is fixed at fifty cents which follows the rule of the club to bring only the best artists at a charge within the reach of all.

"There is nothing compulsory in the purchase of these tickets," Mrs. Brown said. It is only to get them to the members in order that their friends who wish to attend may have the opportunity of purchasing them at the fixed price.

The other members of the music committee are: Mrs. Felix E. Farrell, Mrs. A. R. Gregory, Mrs. Andrew Russell and Mrs. Abram Wehl. Additional tickets may be secured from any member of the committee.

WOULD LIKE TO HAVE
WRITER OF POEM CALL

The Journal is in receipt of a poem which came by mail. It is headed "The Bonus Bill" and relates to the attempt of the American Legion to get Congress to act favorably on a bonus to ex-service men.

At the bottom of the verse is the following, "Written by a Soldier." This verse is well written and the Journal is loath to believe it is an original effort. However it will be glad to publish the poem if the writer will call at the office and furnish proof that the composition is his own.

"My nails are still pinky and shining and I used Glazo a week ago!"

It isn't a bit of trouble any more to keep your nails beautifully groomed—simply glowing with a healthy polish!

For there's a brand-new method that does away with the troublesome old, everyday buffing. And buffing was harmful, too, because it made the nails hard and brittle.

Glazo is the new way. A liquid polish—applied with a brush as quick as a flash. Keeps the nails firm, prevents their cracking—and best of all, keeps them shining lovely for a week in spite of dirt and soap and water.

Glazo's only 50c. too. Get a bottle from your druggist—or at a department store.

INDIAN KATE NOW
AT STATE HOSPITAL

Woman Adjudged Insane Has Been Ward of Morgan County for Seventy Years.

Kate Grimley was adjudged insane in the county court yesterday by Judge Samuel and a commission of physicians. Dr. Edward Bowe and Dr. C. E. Cole. Kate Grimley has been known in the records of this county for many years as Indian Kate, for she has been a resident at the county home since 1850. This means she has been a ward of the county for 70 years and so must have been a resident of the county home long ago when it was located on East State street. Now she is confined to her bed practically all the time and her mental condition is such that the authorities deemed an order of commitment to Jacksonville State hospital to be advisable.

Somebody with a penchant for figures said yesterday afternoon that Indian Kate had been a ward of the county for 25,550 days. The cost of her care has probably averaged 50c a day, so that the count-

MAY FORM WIRELESS
STATION IN THE CITY

Plans are being made for the forming of a large wireless station in this city and there are numerous local people who are taking up the study of radio telegraphy at this time. Many of the plants which were closed during the war period were never re-opened, but locally the interest is such that a station is to be formed here in the near future.

One of the plants which was maintained in this city in pre-war days was the one which for a time was located on the top of the Ayers National bank building. This plant was closed during the war and has not since been re-opened. There is just one station in the city now and it is the one owned by John Martin of East Morton avenue. This is an up-to-date plant and is one of the best in this locality. Mr. Martin during the conflict was an instructor in the signal corps and his experience during that period has been of great value to him in later days.

The government is making tempting salary offers to operators who are efficient and young men who have an interest in this particular line will find it worth their while to devote their time to the study.

MRS. ROGERS RETURNS HOME

Mrs. Wilbur Rogers returned to her home in Kansas City Friday following a two weeks' visit with her mother, Mrs. Thomas Fox of Prentice, and Mr. and Mrs. W. B. Rogers of this city.

MAKERS OF SCOTT'S EMULSION

"My nails are still pinky and shining and I used Glazo a week ago!"

It isn't a bit of trouble any more to keep your nails beautifully groomed—simply glowing with a healthy polish!

For there's a brand-new method that does away with the troublesome old, everyday buffing. And buffing was harmful, too, because it made the nails hard and brittle.

Glazo is the new way. A liquid polish—applied with a brush as quick as a flash. Keeps the nails firm, prevents their cracking—and best of all, keeps them shining lovely for a week in spite of dirt and soap and water.

Glazo's only 50c. too. Get a bottle from your druggist—or at a department store.

The Glazo Co., Cincinnati, Ohio.

ey has paid for her maintenance something more than \$12,500. However, this matter of money is by no means the most important thing in connection with such a case. Indian Kate is said to have been in childhood a resident of Meredosia precinct but practically nothing is known of her ancestry other than that she is an Indian.

The WALLIS TRACTOR is ready to demonstrate on any farm in this territory. Give us the chance to show you what it can do. REEVE & CURTISS, Jacksonville, Waverly, Springfield.

Mrs. Scott P. Carter is spending a few days with her sister, Mrs. John L. Proffitt 30 Irving, Ill. She expects to return the first of the week.

The woman who opens a McCall's Summer Quarterly will see full-colored plates of wonderful clothes. The models are marked by the spirit of ingenuity and originality that she would in vain look for outside of Paris and New York.

They are marvelous master-strokes of art, but she can easily make any of them with the aid of a McCall Pattern.

Daily Market Report

SHARP UPTURNS IN CORN MARKET

CHICAGO, March 26.—Sharp upturns in the price of corn took place today owing largely to nervousness of shorts who had been apparently mistaken in assuming that a maximum limit on trading was again about to be enforced. The close was unsettled 1 1/4c to 2 1/4c net-higher with May \$1.56 1/2 to \$1.56 3/4 and July \$1.50 1/2 to \$1.50 3/4. Oats gained 1/2c to 1 1/4c and provisions 2c to 3c.

Corn quickly displayed a tendency to ascend in the absence of confirmation of yesterday's rumors that 200,000 bushels was to be the greatest amount of open trade allowed to anyone hereafter. Supposed purpose of such a rule was believed to check unduly heavy bullish speculation.

Closing out of spreads between Chicago and Winnipeg gave independent strength to oats. A small failure at Winnipeg was noted in this connection. The brisk rise in sterling together with gossip that Germany had obtained important credits helped to lift provisions.

STOCKS GAIN NEAR CLOSE OF MARKET

NEW YORK, March 26.—Stocks were tossed to and fro apparently with the whim of professional traders today but rose almost buoyant in the final hour on confirmation of reports that the gold import movement was underway.

Announcement of the gold inflow, which is expected to attain formidable dimensions, was accompanied by a steady advance of sterling exchange, demand bills on London rising to \$3.95.

The broad rally was accelerated by a decline of call money to six percent, three percent under its opening rate.

General Motors opened at \$4.00, a gain of 16 points on the larger dividend fell back to \$3.77 and closed at \$3.91, a net advance of 7 points.

Affiliated shares, notably Stutz Motor and Stromberg Carburetor, moved more consistently, closing at \$3.24, a gain of 42 points, while Stromberg forfeited part of three point rise.

Other motors, also equipments, steel, oils, coppers and numerous specialties were carried two to eight points over the preceding day's close and rails also improved. Sales amounted to \$1,350,000 shares.

Liberty issues strengthened and the international group also was irregular higher. Nominal gains were made by railway and industrial bonds. Total sales (par value) aggregated \$12,200,000.

DODGE CAR PRESENTED

TO REV. M. L. PONTIUS

The high regard in which Rev. M. L. Pontius is held by the members of the congregation of Central Christian church was shown in an unmistakable way Friday, when the church people presented their pastor with a 5 passenger 1920 model Dodge car. The car bore a plate upon which was the inscription "In appreciation of your valued service. Members of the Congregation."

Rev. Mr. Pontius has been associated with the local church for the past four years and during that period his services have been such that he is accounted one of the most popular ministers of the city. Naturally Mr. Pontius is very appreciative of the friendly feeling evidenced by the recent gift.

THE LIBRARY QUESTION

In the Courier of March 25th appeared an article entitled "Let the Rural People Have City Library Benefits." Possibly it may be of some interest to explain that the citizens of Morgan county are welcome to the use of the Jacksonville public library. A small rural membership fee is made necessary by the fact that the library is supported by city taxation, but anyone who wishes may use the books without taking them from the library.

In the past few years both our city and rural membership lists have steadily increased and we are proud of the fact. Many of the Women's auxiliary clubs have cards and excellent work is done. Good material along agricultural lines is afforded and as the demand becomes greater, the supply will increase. It is to be hoped that the day of a county library for Morgan county is not far distant, but until that time comes the city library is at the service of those who will use it.

TO IMPROVE CEMETERY

AT LYNNVILLE

Residents of Lynnville precinct are planning for a meeting to be held at the cemetery there next Tuesday. Notices have been sent out, calling the meeting for 9 o'clock in the morning and residents of that locality are asked to spend the day at the cemetery, making some needed betterments. It is the purpose also on that day to effect an organization which will take charge of the cemetery and provide for keeping it in satisfactory condition. The notice of the meeting is signed by F. L. Watson, L. M. Shirliff and Geo. H. Fligg.

TO OBSERVE AMERICAN DAY

The National Security league has planned to have May 1 observed in a country wide way as American day. Acting on the request of the league, Mayor Crabtree has recently appointed a committee of five to arrange for the proper observance of this day in Jacksonville. Rev. M. L. Pontius will be chairman of the committee and other members are Thomas Worthington, C. Spruit, Mrs. James H. Danekin and Charles A. Johnson.

NAMED COMMITTEES IN
INTERCHURCH WORK

County Conference Will Be Held Here April 8th—All Day Program Is Planned.

The committee on Interchurch World Movement for Morgan county met at the State Street Presbyterian church Friday and made arrangements for the Morgan County Conference which meets April 8th.

The conference will be an all day affair and many adjustments had to be arranged for and some committees to be appointed.

The committees are as follows: Music—Rev. W. H. Marbach. Ushers and on Accommodations—W. H. Marbach and the County Conventer J. O. Kirkpatrick.

Entertainment—The several local pastors.

It was decided to ask, should any of the delegates from outside the city desire to remain over to attend the evening service, that the various denominations entertain their own people over night.

By this arrangement those outside the city could have the opportunity to attend the illustrated lecture and get a visualized outlook of this great task.

There was a large committee of young people arranged for to take care of the young people's meeting which will be held at the Grace Methodist church beginning after the High school closes for the day. The plan contemplates a luncheon so the young people will not need to go home after school but go direct to the young people's conference and remain till the closing illustrated lecture.

Each pastor chose one or two; as the need required to reach the young people both in the colleges and the high school.

It is expected that each congregation will put forth the greatest effort to arouse enthusiasm among the people so that this county conference will be the greatest religious conference ever held in Morgan county.

The district county director, Mr. Kreiger has appointed for the county work two directors. One for the city and one for the remaining part of the county.

The city director is George Edman, manager of S. S. Kresge's store, who will bring into the work the skill of a trained organizer. For the remainder of the county A. E. Peterson, well known in Jacksonville for his business ability, was appointed.

These men will organize the county work and hope to be able to say that Morgan county shall go over the top in this great Interchurch World Movement.

When the people get the vision of the task they will gladly aid their various denominations in doing the great thing.

NORTHMINSTER CHURCH
PRE-EASTER SERVICES

In a local paper of recent date of Presbytery the Presbyterian churches of the city have been requested to conduct pre-Easter services. The great object is increased spiritual life and zeal and the securing of an addition of ten percent to the membership.

Northminster church has been conducting meetings all the present week and expects to continue them next week but there will be no meeting tonight.

Dr. Sproule is enjoying the assistance of Rev. Max B. Wiles of Virginia who is to be with him pretty much all next week. The gentleman is an able and consecrated speaker and the meetings are having gratifying results.

Y. W. C. A. PLANS FAST MATURING

The arrangements are rapidly shaping for the formation of the provisional Y. W. C. A. organization. Miss Roe, town secretary, and Miss Sprinkle, county secretary state organization, have practically completed their work and will probably leave today. A number of towns in the county have been visited as the Y. W. C. A. work is county-wide in its scope.

It should be understood that the organization now to be effected is entirely provisional and the officers and committee members will simply serve during a period of a few weeks until some sort of permanent organization is effected.

LITERBERRY CHURCH
PLANS EASTER SUPPER

People of Baptist Church to Serve Easter Supper—George Roach Improves Property—Other Literberry News.

Literberry, March 25.—Preparations for the Easter supper at the Baptist church are rapidly being perfected, in spite of the rainy weather of recent days. The schelling committee has a fine list of good things to eat already donated. The stove committee has also been busy and now the Baptist church kitchen can boast a fine four burner oil stove. The people of the community are expecting all kinds of fine cooking because of the purchase of this new stove.

George Roach is improving his property which he recently purchased from George Baker known as "Crocus Corner" on Peoria boulevard and Prospect street. Mr. Baker decided he could do better in the Murrayville neighborhood on a good farm, than he could in Literberry on a two lot farm, hence the sale from Baker to Roach.

W. W. Young has purchased a beautiful Aladdin hanging lamp for the front room of his home, also a nice table lamp of the same make the Kone kap mantle, incandescent white light.

You will find Maple Mount lighted up any evening now about six o'clock.

W. L. Bourn, Rural S. is the salesman.

John McHenry, of Jacksonville, lineman on this section of the Bell line, was on our streets Saturday, and took dinner with Mr. and Mrs. Jesse Lister at Lily Cottage.

The Literberry Mission Circle met on Friday afternoon with Mrs. John Daniels.

GRACE CHURCH CHOR WILL GIVE CRUCIFIXION

Famous Composition of Slaughter to Be Heard Sunday Night.

Under the direction of Professor H. W. Pearson Grace church choir will present Slaughter's "Crucifixion" Sunday night. This is considered by critics to be one of the finest Easter time compositions and one that has always been of universal interest.

It is expected that a large audience will be present for an evening of song and friends of the church are invited to be present.

EBENEZER

There will be services in all departments of work at the Ebenezer church Sabbath morning. The sermon will be preached by Rev. Thomas Smith who is engaged in the Educational work connected with Illinois College. As we approach Easter the services grow more and more intense, preparatory to a great Easter service when several will be received into church relation, also, there will be a decision service at the Sabbath school hour.
